BIKE & WHEELCHAIR IN ONE Wheelchair bike Diaz

Comfortable outdoor life together

Are you dependent on a wheelchair and would you like to enjoy the outdoors together? The wheelchair bike Diaz with Dutch Design takes you where you want to go and is suitable for both children and adults. Thanks to the sophisticated construction and independent hydraulic suspension you will cycle very comfortably and safely. Would you like to take a break along the way? Simply disconnect the wheelchair part and use it as a push wheelchair. Very practical if you want to do an errand together or want to go out on a terrace.

We look at individual riders and their needs, and want to match them as closely as possible. This is why we continuously innovate and optimize our bikes, so that your bike is equipped with the best materials, latest technology and optimal comfort.

The very stable riding Diaz has stable riding characteristics and is standard equipped with 5 or 8 gears, double hydraulic disc brakes, back-pedal brake, parking brake, lap belt for the wheelchair and anti-puncture tires. Do you have specific wishes regarding the seating position? We offer various seats and backrests on the Diaz.

- ✓ Standard equipped with a Bafang mid-motor that provides a natural powerful drive.

- ✓ The Diaz cycles very comfortably and safely, thanks to the independent suspension in the frame and the hydraulic disc brakes at the front.

- ✓ The wheelchair part is easy to connect and disconnect without disconnecting cables (elektro-, brake and gear cables).

- ✓ After disconnection it can be used as a (push) wheelchair.

- ✓ 10 year warranty on the frame. After registration at www.hukabikes.com/warranty

Electric support

Thanks to the mid-motor the Diaz rides light and easy. This silent pedal assistance comes standard with a collision aid, 5 adjustable speeds and a clear display.

Seat unit

The Diaz comes with a height-adjustable back and a depth-adjustable full foam seat. This can be replaced by a comfort seat with an active, passive or flat shaped back.

Support & special adaptations

In addition to the extra supports we offer side cushions that allow you to set the correct seat width. Besides the Diaz is suitable for customization. The standard seat unit can easily be replaced by an orthotic or a child seat with Isofix mounting.

Accessories & options

The Diaz can be expanded with various accessories and options. Think of a headrest or spoke covers. Check out the possibilities through our website or inquire through your supplier.

Colors

The Diaz is available in the following colors:

- black/grey (RAL9005/RAL7047)
- steel- and azure blue (RAL5011/ RAL5009)
- pine green/ black (RAL6028/ RAL9005)

Any other RAL colors are available on request.
